Kalani and family. We are so very sorry for your loss. You are a remarkable woman and a super mom. I pray for peace at this difficult time of your life and know that your Father in Heaven is watching over you and your family. Again there is no right words at this time. However you are in our prayers.■■■■■■■■■■

Rest in heavenly peace to one special soul who recognized the beauty in our Princess Kalani Tonga; & begat Elias, Kalea, Sophie, Kamila, & Ovaka. He lived to witness the baptism of his youngest.. all 5... members in the Kingdom of God. Well done good & faithful. A chosen Stealth Warrior ■ is truly in love with Kalani & 5 gorgeous children. Long live your good name. Rest Easy... God speed . Mama Silk

We all miss you, Finau. It was too soon for you to have to leave the party that is your family and your five runts. I know you feel the wish you were still with them as much as the rest of us do. Don't worry, now we will be your hard working hands and step in where you had no choice in stepping out. We'll look over them and help them remember you always. You leave a legacy of brilliant, hard working, creative little people who will thrive as we surround your family. Your heart was just too big for one person.

So much love to all who share this incredible loss. It was a privilege to witness from a distance the life of a man who ultimately chose love of family (chosen and blood) over all else.

I hope you are living the life up there and know you will never be forgotten
