

Florence "Flory" Todd Taylor

November 1, 1943 ~ April 18, 2021

We are sorry for your loss. We will miss her very much.

- Diana Dennis

We knew Flory, Joe, and Todd through the Davis Democrats. They were true pillars of the community standing for good things and principles. Hard to believe all three are gone. Flory was always friendly and supportive. She inspired candidates and party leaders to keep working for those on the outside of mainstream society. She leaves a void that will not be easily filled.

My heart breaks for the loss, to the family and friends of Flory, she was a truly wonderful friend and will be missed by so many who's lives she touched and blessed with her presence. There are so many great memories of Flory at Democratic events over the years but the thing that remains most prominent for me is her smile. She was always smiling and a very happy person to be around so she raised the spirits of everyone around her, even when times were tough she found a bright spot and looked to the future for a better outcome on the next round. The Todd Taylor families blessed my life doubly when I inexplicably met Jeri and Jerry outside of the political arena and found them to be as wonderful of friends as the family I initially came to know in the political realm. My deepest sympathy and sincere condolences to all her family and friends. She will truly be missed. Rest in Peace Flory, my dear friend and give Todd and Joe big hugs from me.
