

Foy A. Ernstsen

March 8, 1952 ~ November 13, 2021

Foy was a kind man who always tried to do the right thing. The world needs more men like Foy

- Kate Johnson

Foy was my friend for over 20 years. We worked together at Delta Air Lines and he always surprised me with his humor, often times a bit off color! We would sometimes get together and have lunch or dinner and just enjoy each others company and stories. I know how much Foy loved his dogs and how much they loved him. They were lucky to have such a kind soul to be their Dad. I was so happy when Foy retired so he could enjoy life without the work grind everyday. I surely wish he was still here to enjoy his life after retirement. He is gone too soon from our lives. He will be greatly missed.
