I was roommate with Fran many years ago at the Prescott Apartments. She was very kind and gracious. She embroidered a beautiful table cloth that she and Jack gave us for our wedding which is treasured and still used.

Dear Jack and Andersen family, We are saddened to learn of Fran's passing. We sincerely pray for your comfort and peace at this most difficult time. May the Lord bless each of you with the sure knowledge that life is eternal and that after this life, we can all have joyous reunions with our loved ones.

Dear Jack, We were heartbroken to learn of Fran's passing. What a sweet and amazing angel, here on earth. You shared many incredible adventures, over the years, which only proved you two were the perfect match. Memories made. Please know that our thoughts and prayers are with you and your family. With our love and deepest sympathies, DeeDee and Terry

Cherished getting to know and serve alongside Sister Andersen in Jamaica - the Sunday dinners, the guidance, the wisdom and friendship. Meant the world to me. Sending all my love.

Elder Andersen, I was so saddened to hear about the passing of your sweet wife. During our time serving together in Jamaica, the kindness and the warmth you both showed me left a lasting mark on my heart. I will always remember how you and Sister Andersen opened your home to us when we needed rest, comfort, chocolate cake, or simply needed to feel cared for after having a discouraging day. Please know that you are in my thoughts and

prayers. I hope you can feel how much her life meant to those who knew her. May you be surrounded by peace.  
With heartfelt sympathy, Susan (Everette) Kriser

Jack. I am sorry to hear this news. What a wonderful obituary and a great picture of her! I loved that picture. Soaking her feet! Perfect. My trainer on my mission to Australia was from Rupert Idaho and I even remember the name of the High School he went to (which is the same as Fran's). His name was Kody Thurston. Maybe Fran knew his family. Anyway ... I am sorry to get this news. You are in my prayers. Thanks for letting me know. Doug Milne
