

Frances Geraldine Spofford Brown Bickerstaff

February 23, 1926 ~ January 29, 2022

So very sorry to hear of the passing of Frances. She was a special lady and her and my mum, Eunice Fraser, kept in contact often. Thinking of all of the family.

Bickerstaff family, Sending love and sympathy your way. I learned so much from your wonderful mother and admired her. When I was a young mother in our ward, she was a role model for me in many ways. I'm so grateful I had the opportunity to know and love her. May the Lord bless you all as you continue your lives without her for a season. Love, Ilene (and Kai) Andersen

So sorry to hear about Auntie Fran. I know Dad (Charles) was waiting for his turn to greet her with a kiss and a hug. So many memories of her including her gift to Dad of $75 of $1 bills on his 75th birthday. She was so excited to tell me that.

Sister Bickerstaff always took an interest in me as a young boy growing up along the Bryan Avenue-Kensington Avenue-Wasatch Second Ward corridor. She consistently had kind words of encouragement for me as I navigated life, more attention than I probably merited. Brother Bickerstaff showed me similar interest. What a wonderful couple. I imagine theirs is a joyous reunion. Frances Bickerstaff is a noble woman.

What wonderful memories I have of Frances and your wonderful family in the Yale Ward there on Gilmore Drive. My thoughts are with all of you, especially David, Launa, Debbie, and Diane Anderson. May you be blessed at this

bitter-sweet time.
