Mrs. Martin was the 2nd grade teacher for myself and all of my siblings. I was the youngest, and by the time I was in her class, she enjoyed my family so much she made me Top Banana on the first day. She made me feel so special. We're so sorry for your loss. She was amazing!

Mrs. Martin was mine and my two brothers and sister’s second grade teacher at West Kearns in the early to late ‘80s. We all loved her so much! I just came across her obituary tonight (4/1/24) after years of searching for her with no success. She was not only beautiful on the outside but inside as well. She was so happy and taught us so much. She gave me a porcelain Easter Bunny and two porcelain eggs that I still have. Whenever I look at them from now on, I’ll be reminded that I discovered her death around Easter and be comforted knowing that we’ll see her again because of the Resurrection of Jesus Christ. She attended my mission farewell in August 1996 and that meant the world to me. My prayers for your continued comfort and peace.

Miss Martin was my second grade teacher at West kearns. I always wondered about her cause she was my favorite teacher and to hear she passed is a real bummer. I remember parent teacher conference my mother and I were sitting there with Miss Martin and she told my mom in her Kentucky accent,”I just love little Lonnie. I wish I had a whole class full of little Lonnie’s!” Something I’ll never forget. Condolences to Miss Martins family this is a big loss she was my favorite teacher.
