---

Now free from time and space, you are always with me in my heart. Love you Frank.

- Virginia Jones

---

My heart-felt condolences go out to all in Frank's family. May Frank Rest In Peace in Heaven. I will always remember Frank as a special first cousin. I spent many happy times with him and his late wife Connie and their family. He will be greatly missed by all.

- James E. Ciccolilli

---

A good guy, an avid and astute numismatist. We miss him.
