

Francyne Poulter North

March 19, 1946 ~ January 17, 2022

I now have my two earthly parents looking out for me from heaven. May I follow in your footsteps Mother and always stay close to what I have been taught and know to be true. I love you, my dear Mother, and will miss your laugh, love, and leadership! Until we meet again....

We were so sorry to hear about your loss. We really enjoyed Francine and we know now she is in true heaven with being with her husband Lavar. We are so thankful for that. May you have happiness knowing that she is in a good place. She will always be missed, but some day we will see her again. .

We are thinking of you, Jordan, Mark, and Kelly, and praying that the Comforter will fill your hearts with love and peace. Your mom and dad are together at last, and we hope that brings great comfort to you and all your family. I ran across a scripture this week that I hope will comfort you. It struck me as I read it., and I remembered it: 1Corinthians 15:20-22, 54-58. You will be with your mom again. Death can't steal her from you forever because of Jesus' Atonement. I also remember a special day when your mom asked me to come over. She showed me her doll collection and gave me a beautiful gift of friendship that I have kept these many years . That ring symbolizes to me the joy found in serving others. I had never seen your mom happier than that day she reached out to me, and it is a deeply cherished memory. God bless you all. We have some sickness going on right now. If we can't make the viewing, we are very grateful to be able to join you for the funeral through technology. Our hearts and love are with you!

We were sorry to hear the news and we know she will be a big loss in your life and will be missed greatly. We know that she is happy because she and LaVar are together again. May the comforting spirit be with you and your family.

Francine and I were visiting teaching partners for many years in the Cannon 9th Ward, SL Cannon Stake. She was very focused and faithful. She was loving, organized, disciplined and generous. We enjoyed serving and loving our sisters together. Our children were very young. So sorry for the difficult struggles she experienced. Thankful she drew closer to our Father in Heaven, and our Savior Jesus through her studies, service, challenges and heart breaks! My heart felt condolences to her family, as you struggle with your temporary loss. Thankful to know families are forever and eternal! Love, Jeanne Carter

To Jordan, Mark and Kelly, so sorry to hear about your Mom passing. Was unable to attend her service. We have been a bit under the weather, but we were there in love and friendship. She adored you boys and always worried about you. Fond memories from the Busath family to you. May the Lord give you comfort and peace at this difficult time. We miss our friendship with all of you. Stan & Pat Busath

I was so thankful to be able to join with you, on Zoom. I had a funeral and a baptism to attend, here in Saint George, otherwise I would have made the trip to attend in person. I loved hearing about your mother and your family. We were not close and did not know of the trials Francyne went thru. I helped build some of the house in the early stages, as I had just been laid off from my work. I had a lot of mental struggles then, and only helped during the framing. I only wish I could have done more. You boys did a marvelous job with the funeral - a credit to all of the North Family. My prayers are with you. Courage & Strength to you and your children
