So sorry for your loss, I always enjoyed visiting with your Dad at the bakery.

First of all, my condolences to Sister Bakker and to your family. Frank is no longer in pain and with family and friends who have gone before him. For me, his greatest legacy are his (Sister Bakker too) children, grandchildren and great grandchildren. I have been blessed to meet many of them and. I know he is proud of each of you. I hope and pray that his passing will heal and mend hearts. Gold bless each you! Dennis Laursen

Mr Bakker was a most interesting friend. He was generous with his vacation properties and I enjoyed many days having conversations with him. He always seemed happy to see me. I'll miss you, Frank. Truth
