That was a great obituary. We love you uncle Frank

- Alan Baumgartner

What a nice obituary about a great man. He always had a twinkle in his eyes. I know my mom adored him - they were always bosom buddies. He will be missed here, but I know there is a great celebration going on in heaven. Safe travels to you Uncle Frank.

- Teri Boulter

My mother and dad, Dorothy and Deac Thomas, did a lot of traveling with Betty and Frank. I like to think they're enjoying each other's company again. Frank was a true gentleman. Very sorry for your loss.
