

Frank Harold Arnold

Oct. 1, 1934 ~ June 8, 2024

I was the Senior Manager for Coach Arnold's first two BYU Basketball Teams. I cannot express my gratitude enough to Coach Arnold for the love and support he showed to me. I know Coach Arnold is coaching an All Star team in Heaven with John Wooden and teaching eternal lessons to that celestial group. Coach Arnold: I love you and I thank you for the impact you had on my life. Your family is in my thoughts and prayers.

Coach Arnold was teaching and coaching at BY High School from 1959-1962(maybe longer). He taught health durling his off season to the seniors in 1961-62. He made a lasting impression in my life by complimenting me on the artwork in my health notebook in front of the entire senior class. He later offered to buy it from me. I was so flattered that I gave it to him. I think he also purchased a painting which I did that year. He most likely was insturmental in geting me an Art Grant from BYU. I love that man. JH

Dear Bee and family, We appreciated the opportunity to share memories of our association with you, Frank and your family over the years. The thoughts and experiences that were shared during the service were lovely. We love you and pray for the sustaining Spirit of the Lord to be with you and your wonderful family.
