

Frank Owen Watterson

February 22, 1937 ~ October 31, 2023

I always loved Frank. When we saw one another after long absences, broad smiles were spontaneous both ways. He was a good man, fine husband to my sister. I haven't often seen him in person for many years but that relationship will continue forever.

- Lawrence Green

Uncle Frank was blessed with a beautiful heart and soul he always treated me with kindness that will not ever be forgotten

- Steven Rice
