

Fred Bromley Hodson

June 23, 1935 ~ February 13, 2022

Dear family of Fred, what a wonderful neighbor and friend. Fred and Donna were in my ward. Fred was one of my home teachers. He was a very special person and I received several of the special cards that he made. My deepest sympathy to Fred's family. He is now in heaven with Donna. Rest in sweet eternal peace dear friend.

I'm going to miss uncle Fred. I'll never forget when he invited me over to learn to cook fried ice cream! We had a wonderful time. I learned so much about him here. I wish we spent more time together.
