I am so sorry to hear of Burt's passing. I was lucky enough to meet him and Raymond last year when he graciously let me stay at his home with Jane when we came to Utah for a visit. He was so funny and kind. Jane spoke so much of him and the great relationship he had with all of his children and grandchildren. That is such a gift! Thinking of all of you... -Much love, Kellie Milne

Burt was truly an original. He and Joanne and their family moved into our neighborhood many years ago and we got to know them well. Burt was a true professional in the very best sense of the word. He was always totally dependable, true to his word, and very fun to be around. We were sorry to see him and his family move away in later years, but stayed in touch until about a year ago. A truly remarkable individual! How he will be missed by all who knew him, especially his family.

To my beloved Cassity cousins; Your family, and your dad especially, always make me and everyone feel loved, welcome and important. What a great gift you all are to the world. Your father was the most amazing person, so loving and hilariously funny. I will never forget the prayers he gave at our family dinners, and his enthusiastically singing "Happy Birthday" to Jesus on Christmas. Your home was always filled with a contagious, positive energy He never wavered from his values and beliefs, while always sincerely interested in others; never judging, but listening with open heart and mind. I know they are celebrating his arrival in heaven. May God comfort you as you grieve the loss of your father. Love always, Katie

We were surprised and saddened to hear of our beloved Burt passing last weekend. It seems that some people, like Burt, would simply continue to live forever. He embodied goodness, kindness and a loving heart and was the very definition of a gentleman. He always knew just the right things to say to raise our spirits, encourage our efforts

and make us feel just a little bit better than we might have otherwise been. He brought joy and happiness to our mother after her difficult loss and we cherish his memory and involvement in our lives. There are some people that make a huge difference for good and peace in the lives of everyone they touch. Burt was one of those uniquely Christlike individuals. He left an eternal mark in our souls. We will always love him and remember him with fondness and gratitude. But joy in the knowledge that he is in the midst of wonderful reunions with those he has missed so dearly. Thank you for sharing such a wonderful man with our family. All our Love, Clark and Leah Burbidge

Burt was a great human being. I enjoyed our visits when we were skiing in Utah and our annual phone calls on July 11th, our mutual birthdays.
