Dear Marlene and family, so sorry to hear of Fred's passing. He was such a good and fun loving man. When we were all together it was evident what a wonderful life he had with all of you. My thoughts and prayers are with all of you.

This is a very sad day knowing we have lost our good friend Fred. We will always cherish all the fun memories we've had with Fred & Marleen especially during the winter months in Yuma. Our deepest sympathy to Marleen, Sandy, Greg, Mark and families.

Just read about our old friend and will try to write through the tears. Fred was indeed one of the best with the added bonus of a smile that lit up the room. We were neighbors in Yuma for only a few years but never forgot him. We send our condolences to Marleen and her family with our hope they will all be strong and reassure them they are not alone at this time. Love from the UK. Al & Rita

Marlene, we send you our thoughts and prayers at this difficult time. We remember all the fun times with our get togethers at the park in Yuma. Playing "Catch Phrase", happy hours, and our never forget "find the beeping sound" at the Picketts with someone tearing the doorbell off the wall!!!!! What fun times we had. At this time, we hope your faith gives you strength and prayers bring you comfort. Love you,. Bruce and Doris Behnke.
