We are sorry to hear about Dale's passing. He was a great friend, neighbor and Home Teacher to our family. He was a great help to me as we served together in the Bishopric. Peggy and I will miss him. I'm sure there is great rejoicing in heaven as he and Nezzie are reunited. Our thoughts and prayers go with all his family!

Dale was my Home Teacher for many years, serving faithfully and diligently, helping me with his encouragement through some difficult times. I have treasured in my heart his wisdom and uplifting nature. His and Lanez's care for me is something I will forever cherish. I have been honored to know both of them and their loving generosity to me both in terms of time and monetary. I look forward to a welcome sweet reunion with them on the other side of the veil. Know your dad is appreciated for his fine Christ like qualities.

While we were saddened to hear about the passing of Dale we have enjoyed his life, wisdom, love of family and his service in the Temple for many years and his love of Heavenly Father. We loved our visits with him and LaNez and the good work they were doing in raising their family. He always had a happy and optimistic personality that made our lives better. Our prayers and love goes out to his family at this time. Know he will be missed. His life has made the world a better place for all of us to live.
