

Frederick Lee Taylor

February 10, 1930 ~ November 30, 2023

Don and I send our love and condolences to you. We moved in to the ward in 1986. We soon learn to love Lee and Joyce Taylor. Sunday worship was always enhanced by Joyce's beautiful organ music. And Lee was such a faithful and loving husband. We could not go past their yard without admiring the beauty of those surroundings. We are so grateful to have been neighbors and friends with Lee and Joyce Taylor. What a blessing that they are together again! We know they will be happy just chatting on the porch.
