Rest in paradise uncle Garrett, I have more than a few memories with you that turned into unforgettable and positive learning experiences. You had an energy and charisma that will live on forever through those you knew. Thank you for all the lessons, memories and hooky bobbing rides we use to ask for as kids. You will be missed but never forgotten.

- Ravyn Harrison

I was so sorry to hear the news. I didn’t get to spend a lot of time with him, but I truly cherished the moments we did share over the years. Sending love and comfort to all of you during this difficult time.

La vida es un misterio y tiene preguntas que no se pueden responder. Lamentamos profundamente la desaparicion fisica de Garrett, una persona a quien le teniamos gran aprecio y admiration. En las oportunidades de haver compartido con el, siempre destacaba por su alegria, gentileza y bondad. Todo un caballero. Que Dios lo tenga en su Santa Gloria y que su alma descance en Paz.

Garret was more than a brother-in-law to me – he was like a brother, and every time he showed up, the room felt brighter, full of love, acceptance, and zero judgment. He was always willing to do anything for anyone and never hesitated to go out of his way to help. My heart goes out to his wife and children. May his Legend status be imprinted in the book of life. He will be missed but not forgotten.

I met the love of my life 30 years ago when she lived next to Garrett in Salem. I remember staying at his house vaguely and we actually met a little as kids. Courtney popped up on my fb and her picture hit me like lightning and when we hung out for the 1st time she said" your a Kelsch "? And then told me how she knew Garrett and his kids. I believe that he helped us find each other and was one of my best friends.

I hardly know where to begin. We are all devastated by the news. So young and vibrant and a true gentleman. Kind and loving. Gone way too soon! We will miss Garrett. So grateful for the time we had working together. Love, your Redcliffs team in Southern Utah. Daren, Shawna and Sebastianna

Dear Garrett, I fully remember the years you did mortgages with us at the office there in Sandy. I lived with you for a year and got to know you quite well. It was a time when your family was getting split up and I realized the tool it put on you. You survived it and made everything possible. Your laugh was unbelievable and it was fun hanging out with you up at your cabin living with you in Sandy and getting to know you. I finally got to see your family and I can see you in all of them. This was the best funeral I have seen in quite a while. Rest in peace.
