Corky, his wife and family, was VERY dear friends and neighbors for years and years. We raised our families together and became very close. We share a thousand memories together and they are all heart-warming. Last week, on our way to Seattle area, I told Sue that outside of our family, I hoped to see see two people, one at church, and the other, my good buddy, Corky. I was too late. My LOVE and prayers go out to the family. He will be greatly missed. Rodger Overson.
