

Gary Alan Smart

September 12, 1957 ~ June 19, 2023

We were so sad to hear about your loss. Gary was always so kind and gave the best hugs. The disease of dementia is heartbreaking - to watch the people we love most go through it, is one of the hardest things. I know he is in a better place, free from any confusion and surrounded by clarity and angels - All our love to your family!
