Through the over sixty-five years of friendship, we have always been in touch. We've known this day would come but it is still a shock. One is never prepared. To you Jan and family we send our love, support and prayers. No one could ever have a greater friendship than the four of us have had. Thank you for the memories.

Gary and Jan have been dear friends for sometime now , I enjoyed my visits with them and our hearts go out to Jan , they were a joy to be around , a nice dinner on the patio , and taking in the Beautiful View of the Wasatch Mountains . An ATV ride with Gary out West in search of the wild mustangs , a wonderful day , time spent with Gary was definitely not time waisted , he was and is a Giant of a man and I will deeply miss him , all our Love to Jan and the family in this dificult time With our deepest Love and Sympathy , Kim and Rhonda Rindlisbach
