

Gary Elden Gottfredson

April 7, 1935 ~ January 23, 2026

If, well when I leave this planet, I hope I can be remembered the way that Gary is now. I was lucky enough to know him over a lot of years by my association with Dunford Bakery. I was just proud to have my name associated with the excellent company he and John created. It was no small task. Talk about resurrecting a business from ashes! I remember making chocolate doughnuts at the bakery on 9th & 9th, never knowing how big it would become. When I left, and started working for Westco, I was always proud of dealing with John and Gary. They were exactly what a good customer could be. More than a business associate, Gary was just a great person. The bakery world, no, THE world will miss a genuinely GOOD MAN.

Uncle Gary and Aunt Carolyn with Eric, Brian, and Laura have always been cherished family that we don't visit with enough. We celebrate Uncle Gary's life and happily anticipate our reunion when we get to meet with our family beyond this earthly veil. Love Bart & Sheri.
