As big and intimidating as Gary was when I was young, he was as big and thoughtful to me throughout my life. A very passionate man who will be missed by all. I Love you and will always remember you as a valuable role model.

So sorry to hear of Gary's passing. Since I was a little younger, I didn't spend a lot of time with my cousin, but I love all of my cousins.❤ It is sad to see them pass away. I know his passing leaves a great void to his closest family members, and all who were close to him. May you all fond peace and comfort in the sweet memories you have of

Gary. ■■ What a grand reunion he is having in Heaven.■

Gary was one hell of a guy! I was lucky enough to call him my father in law for 13 years. He was always kind and loving. He was the most amazing grandpa. No one loved their grandpa Gary more than his grand kids. What an example to the world. I am grateful to Gary for showing me kindness all these years, teaching me about trucks, trains and sprint cars. You will be missed good sir!

It was always a learning time when I was with Gary. He asked me to ride with him while he was driving the Semi and his influence and knowledge of the road and teachings I still use today while driving the roads of life. He was a good man. And I will miss him.
