I worked for Gary at Magilacutty's. Still the best sandwiches I've ever had. The Mountaineer was THE BEST! What I'd give for his gravy recipe. What a great guy.

I took Karate from this man, so long ago. In midvale Utah, then KIAI karate was new. My father knew Gary from his restaurant days and that is how I remember getting involved there. Many years went by and a move of the dojo to Murray Utah. I was proud to know this man and saddened by his passing. RIP Patrick A Tewell
