

Gary Stewart Poulson

November 7, 1943 ~ October 29, 2021

I'm so sorry to hear about Uncle Gary. He was always at our family gatherings and your family made the parties at Grandma's feel complete. My prayers are with you.

- Alison Paul Anderson

So sad! What a great life. Our prayers are with you!

- Vincy S Stringham

Gary was more than just a cousin, he was more like a big brother. He taught me how to swim, taught me how to ride a horse, and showed me how to build model airplanes. He took me with him to take pictures of houses for the Murray Eagle and gave me rides in Uncle Jacks sports car. I always wanted to go to Murray High because Gary went there. I always thought the definition of Cool was my cousin Gary and I know me will all be together for eternity.

Dad, you will be forever missed by so many. Thank you, for blessing so many lives. We all love and, miss you so very much.

- Staci Butler

Dad, We've missed you since the moment we received the news. We will cherish our memories of talks on long drives, HAM radio club meetings, quad builds, RC flights, outdoor adventures, talks about the gospel, text messages asking about local and state politics, and family discussions of the "Poulson toe." We look forward to the day when we once more see your mischievous, twinkling blue eyes and subtle but genuine smile. We love you! Chris and Kana

Gary is a wonderful man that I have worked with, such a kind hearted man and so transparent. May his departed soul rest in the bosom of our lord.
