I had the opportunity on many occasions to work side by side with Gayle. She was not only funny and fun but also bright and efficient. It was a blessing in my life to have rubbed shoulders with her.

Dear Petersens, I loved your darling mother! I first met her when she hosted our wedding shower in her grand home on Devonshire. She was so warm and welcoming and threw an amazing party! After that she continued to greet me with a hug and a warm smile, always remembering my name and making me feel special. One day we ran into her at the hospital shortly after she had her stroke. She couldn't say much in the way of words, but she said it all with her eyes and her hands. She made sure we knew she loved us. And again at Jim's funeral. What a strong, wonderful, and loving woman. As Bonnie would say, "She's a keeper!" Our thoughts and prayers are with you at this tender time!

Gayle was such a remarkable person! She gave so much love and taught us how to love better. You did such a wonderful job with her funeral and each person expressed what we all felt about her. I know she was so happy with what all of you did. I wish I had been able to come to the viewing to hug each one of you, but the funeral was so outstanding. She deserved the best and you gave it to her. She is definitely someone who will live on in our hearts. My love to all of you.

To the Petersen Family, We want to express our sympathy for the loss of Gayle. We missed being at the viewing and funeral because we are out of town. However, we watched the funeral on Zoom. The entire service was a wonderful and deserving tribute to Gayle. She was truly a person who loved life. She was a good friend to all who knew her and was always there to serve others. We will all miss her. Love to all of you, Craig and Marilyn
