

Gaylon Burdett Smith

May 30, 1940 ~ April 4, 2023

Julie, I'm sorry to hear about Gaylon's passing. I hope all is well with you and Peggy. I'm sure the funeral meeting was packed full of friends. He was a good man. Glad to have known him. God Bless.

I had the privilege to serve with Gaylon and Peggy Smith in the Special Needs Mutual for several years. They were both sweet and caring in their service to the individuals with special needs who attended the Mutual activities. I never saw Gaylon without a smile on his face. He was always positive and happy, and had kind words to say to everyone.

Gaylon has been our neighbor for the last 21 years. He was an awesome neighbor. He would take our garbage/recycling cans out to the street each week and then bring them back once they were emptied. He loved sharing his garden with us & we loved receiving it! He was a walking encyclopedia because he knew sooooo much. When I was out in my front yard working, he'd always pop over and see if I needed help. I donated my tree leaves each year to his garden compost. We take comfort in knowing that he's with his friend Tim Wilson again. They loved talking about anything scouting and anything else that came up. He was a dear friend and we'll miss him terribly. Love to Peggy and family.
