

Gene Raymond Savage

April 29, 1936 ~ December 3, 2024

So sorry he has left us but, he will be so happy when he finally back with partner for life❤■ I was only 10 when they were married. Gene was so fun when he came over to our house. He would twirl me around by my arms and legs. The greatest compliment he every gave me, is that I looked like Shirlene ■

We had the pleasure of knowing Gene as tenants and friends when we first moved to Page, AZ. He was a man who loved his family, friends and the outdoors. He was a collector of many things and loved garage sales he could always find something he thought he needed. He always had a smile on his face when he saw you. Rest in peace Gene and may you be with all those you loved.
