

Gene T. Scribner

September 12, 1927 ~ March 25, 2022

Sorry quvan

- Gato

I me t Gene a few time when my son Jon worked for him. He was such a good teacher for Jon. He learned so much while working there. I am so thankful he met Gene and was able to work with him. I watched Gene work one day when I was there and I was shocked at how he climbed on those big pieces of equipment. I am so sorry for your loss. Bonnie Horrocks
