

George Edward Hancox

December 3, 1950 ~ October 28, 2024

Carlson Family, I was sorry to hear of your loss. Please know that you are in my thoughts and prayers. I enjoyed many sunny warm days (and some not so much:)) watching the boys play baseball with George. He was always a pleasure to sit next to and talk baseball. So positive and cheering for every player. RIP Go Dodgers and Wolves!!!!

- Dan Munding

The staff at Murray Parkway Golf Course sends it condolences to the family of our dear friend George Hancox. George has been a friend of ours for many years. He and his dear wife Jeannie spent many days together at our facility. George once stated that he played over 200 rounds of golf at Murray Parkway one summer, and we believe him. He was a mainstay here, always greeting us with that George Hancox smile. He will be missed by the Staff and many friends he made here at Murray Parkway Golf Course. RIP in peace old buddy. GO DODGERS! Murray Parkway Staff

- Murray Parkway Staff

Met George and Jeanne almost 60 years ago at Magnolia HS. We golfed and sailed together whenever they came back to CA. Adios my friends - I'll be missing you.

- Steve DeLine

It was an honor and a pleasure to watch many, many years of baseball with George. He always was positive and very Enthusiastic. He would say to us " I just got the goose-bumps!." When Conner did something great or any other teammate. It was my pleasure to know him and talk baseball. Go Dodgers Forever wolves ■

- Angie Bath

I worked with George at EDO / ITT. He was and incredibly resourceful and talented. I learned many things from him and still use his teachings today. I will remain grateful to him and the memories. I know he will be missed by many people and friends. Rest in Peace.

- Roger Nessen

Sorry to hear about your loss. I worked with George at EDO/ITT in the Ceramics department. He was a good mentor and friend. He is still well remembered here by all of the former EDO employees for his knowledge and wit. You have our deepest condolences.

I was sadden when I heard of the passing of your father. We had the privilege of working together at EDO in SLC. I got to serve as his HR Mgr and absolutely loved the conversations that we shared. Thank you for sharing him with us.

- Bridgette G Waters

It was a pleasure working with George at EDO / ITT for many years. We shared a love for solving engineering and manufacturing problems. He always had time to share a smile and offer his insights about how to improve a process. I will never forget his heart felt laugh and sense of humor. Rest in peace my friend.
