

George John Ross, III

October 17, 1937 ~ February 10, 2021

Dear Diane and Ross Family, Our thoughts and prayers and deepest sympathies are with you at this time of George's passing. We love you both. George was a good soul--kind, loving, faithful, diligent, humble, patient and cheerful. We admire how he loved and served your family and his brothers and sisters in the ward. Our lives are richer for knowing George and you Diane. Thursday night when I learned of George's passing I was pondering and praying and thinking about George and I received a strong witness from the Spirit in that moment that George is brilliant and is filled with joy. I look forward to embracing him and expressing my love for him again in some future time and place. Love, Doug and Anne Brewster

Dear Ross Family, our thoughts and prayers are with all of you today as you celebrate and mourn the loss of your Husband, Dad, and Grandfather. And for me and my wife Sandy, our Step Father as George has always felt that way to us and for me as a young boy living next door to the Ross family and the fond memories of so many camping trips together. My heart aches as I think of you, words cannot express enough during difficult times, but I believe In my heart that during tragedy and mourning, the glorious light of the message of the restored Gospel of Jesus Christ can bring warmth and comfort when things otherwise feel dark and cold. So grateful for the knowledge that George is celebrating his reunion with family and loved ones and will be with you today. I personally know that Jesus Christ loves you and is very much aware of your circumstances and want you all to know how much we love each of you. We pray for Heavenly Fathers tender mercies to surround you. Love Jon & Sandy Tait

Dear Ross Family, My deepest condolences to your family. I only conversed with George a few times and I immediately felt the sincerity in his voice when he spoke. To you Diane and Brad and other siblings please know of my love for your husband and dad. George and I have had a life time friendship!! We both went to Uintah grade school, Roosevelt Jr. High and on to East High. We saw each other over the years to keep the friendship going. I was so happy we could visit and remain friends. I was a printing salesman. One day I ran into George and he told me I should come and see Ray Yamasoki at A & K Railroad. I did. I knew Ray like George. We all did. I start a thirty year business relationship with A& K and many people there became my friends I was always grateful to George for his kindness to me. Thank you George for being a great example to me as a man, as a husband and dad. I will miss you but look forward to our continued friendship someday. Love Dave Fox
