

George L Olsen

March 23, 1929 ~ September 26, 2021

We are so sorry to hear of George’s passing. We knew him because our father was a resident of Sagewood since March and just passed away on September 21st. Your father was always very welcoming to our family whenever we visited. He told us several stories about living in Norway and being a pastry chef. He seemed like a very remarkable person. We would like to offer our sincerest condolences during this sad time.
