

Geraldine "Gerry" Josephson

July 22, 1931 ~ July 4, 2021

Spirit, love of life and laughter are the words that come to mind to describe Mrs. Josephson. You have left a legacy of family and friends while here on this earth. You will be missed by so many.

- Scott Capps

Brian and all the Josephson family, I'm so very sorry for your loss. After reading her obituary I couldn't help but think "What a beautiful life." She must be an inspiration to you all and was obviously a great role model. God bless you in your grief. Sincerely, Coop

Gerry was a wonderful neighbor. We were lucky enough to live across the street on Bunker Hill Road. Gerry was always laughing and making amusing comments about her life. She was so kind to our children as they rang to doorbell all summer long to get a cool treat from Gerry. She was a woman of action. When I made a comment that a large shrub on her property was certainly not doing anything good for the appearance of her home, she had it pulled out the following day. She loved seeing all the kids on Halloween. And her grand children were such joy and fun for her day. She loved her family very much. And she loved them as they were, not as perfect children but as real life beings.

Dear Kirt and all your family and siblings, One of the wonderful things about having someone love you, is the love you feel for them. I have known Gerry for about 52 years. Whenever I would see her, I would get a nice kiss on the cheek and a warm, loving hug. Every time, through many years. What a wonderful person and example she has been and will continue to be. I know that you will feel her presence at special times and special places. She is now your guardian angel and may have more influence on your lives than she was able to have in this physical life. It is my prayer that you will be blessed to feel her near. I enjoyed this special funeral service I just witnessed. I learned more about her and could feel that love you have for her. Some of the stories I knew and some were new. Carry on her love of others and of the Lord. Love, John

To Kent and all the Josephson family. It was nice to see your mom these last few years that Brent has been recovering at Olympus Ranch. She was always the life of the party, the center of attention at those cafeteria meals. Before COVID; it was always a hug and a smile, and a few jokes. She had many health challenges but came out on top. A long, wonderful life. All the best, Bryan Lloyd

I'm so sad to hear of the passing of such a beautiful woman! I have never met anyone with a more positive outlook on life a shared more joy with everyone who knew her. This world is better for what she gave to everyone who was blessed to know her. My sincere condolences to her wonderful family. Our prayers are with you.

Oh, how I loved Gerry when I was growing up in the Holladay 16th ward! She was always smiling her beautiful smile and was so kind to everyone. My favorite day was the Sundays that the ward choir sang "O Divine Redeemer" and Gerry had the solo part. I just got chills when I heard her sing. The whole Josephson family was so loved. I have thought often of Gerry and wondered how she was, and am so sorry that I missed her funeral. She was truly an angel on this earth and I'm sure was welcomed with joy on the other side!
