

Geraldine “Jerry” Capson

March 26, 1924 ~ June 10, 2024

So many wonderful memories come back at the joy it was to live on Maxwell Lane and play with so many friends there, including Scott and Patty and being at the Capson home. Jerry was always so sweet and nice with a big smile on her face and a very welcome hello. Such a beautiful family, such an outstanding mother, she will truly be missed■■
