Ruhe in Frieden. Dein Heiko

- Heiko Primm

Gerhard will be missed. He was a great man. We have wonderful paintings on our walls that are great memories of his talent and friendship. We loved him.■■

- Gary and Colleen England

We were classmates at Bryant Junior High and East High Schools. He was “so nice to everyone” at an age in life when we are typically self-absorbed with life. I have fond memories of his quiet and kind friendship.

So sorry for this loss! He was a great and fun man. He made our home beautiful with his painting talent. Also loved his company so much as he showed his talents and personality while serving us.

- Gary and Colleen England..

Gerhard was a huge part of our family. He was our best friend in the world. We loved him so much and had the opportunity to spend lots of time with him at lunch, dinner, movies and bear lake. He was a man with impeccable work ethic. He loved his friends, especially us and our family. He loved his family so much, especially his children and grandchildren. He loved his mom, dad and his brothers and sisters. He did so much for so many expecting nothing in return. One of the most charitable human beings on the planet. Rest in peace sweet Gerhard. We love you, we will always love you and remember all that you did for us and so many others. Oh my, we miss you!!!!!!!!!!

Sorry for the loss. I’ve grew up in the avenues. We played on the East High soccer team together and took State back in 1965-1966. Had great times together. We are both Germans so that was fun. He was a fun person. May you rest in peace Gerhard. Guenther Popp
