We are all saddened by Trudi's absence in our daily lives, but we find joy in the memories we have of her and look forward to the day when we will all be united again as an eternal family.

I'm so sorry about Trudi's passing. She and I were cousins and had not seen each other in many years until I was in SD in 2007 and was able to visit she and Dave in Brookings. She was very proud of her family and their accomplishments.

Dave Sorry to hear about Trudi's death. You have our sympathies. You and Trudi and we visited together on one occasion. I believe you were working with the DeKalb Seed Company and you were living in Fargo. There was once a DeKalb unit at Hillsboro, between Fargo and Grand Forks. Did you work there? We feel for you in your loss and trust that your memories of Trudi will help to sustain you. Gordon Iseminger-701-772-6333
