

Gertrude “Trudy” Bastiaantje Vermaat Bowcutt

March 24, 1931 ~ May 31, 2024

Mike, Amber, Austin, and family. I was truly blessed to know Trudy Bowcutt. Her services today were a beautiful celebration of Trudy's life. I very much enjoyed visiting with each of you, and making myself useful at the cemetery.

Mike, I am so very sorry to hear that your sweet mom has passed away. She was a sweetheart. Always positive and welcoming. Mike, you have written such a beautiful and tender obituary. It is awesome. It was a joy to read and learn about your mom's life. I loved hearing your voice in the writing. My love is with you. Yep, I said love. You know that we are, were, and will always be BFFs. I will see you tomorrow at the funeral. Until then, may God bless you with peace and strength. Until tomorrow...

Mike - I got to help take care of both your mom & dad while they were on blood thinners. They were such a delight to talk to. I enjoyed talking with them all the time. I'm sure Trudy is so happy to be back with Bow.

So sorry, Mike, for your loss. Your mother was a wonderful person - always so kind and friendly to me as a young girl growing up in our Ward and neighborhood.
