

Gilbert J. Walker

September 29, 1939 ~ May 2, 2023

As I sit here after hearing the news that nobody ever wants to hear, tears flowing, I want to give all my best thoughts and wishes to Gil's large family. The laughter will always remain. Gil or Mr.Walker, I just wanted to remind you of a story you told me…. So, there you were, throwing the ball at the fence and the dog would run and grab it until the time the ball went over the fence…… ahhhhhh, you know the rest. If you happen to see her, give my mom a hug and have her give you one as well. Both will be from me.

I'm so sorry for your loss. I always loved visiting with Uncle Gilbert when I had the chance, which was never enough. Hugs and prayers to the Aunt Virginia and the family.

I just made comment about Gill bring the long drive player's to his and my Country Club (Green Valley CC). When someone commented he had passed■. That said he was always positive about life, friends, family, and Golf, maybe not in that order. Gill was a past president at GVCC and when I followed him several years later he was someone I would seek for both option and support, yes he was always available. As I reflect on the members he brought to the club., Al Huff, Kent Robbie, both who proceeded him in death. Those of us who played in the same group with him or against, always would finish with nothing but great laughs, Stories and possible winning or losing a few $$$. Well he is Special and my thoughts to Virginia, and Greg (long drive Champ) and other family members I unfortunately haven't met. Yes he was special.

I was Mr Walker’s student in 1969. He was the kind of teacher who made a great impression on me. I am sorry to hear of his passing. Sending prayers to his family. Linda

Gill was one of my dad’s, Gene Robinson, best buddies. I believe they played a lot of golf together and dad always spoke very highly of Gill. I cherish the stories dad use to tell me of their times together. Prayers of peace to the family. Gill is watching over you all with that huge smile on his face.

Mr. Walker was the best accounting teacher I ever had. I had Mrs. Walker for choir while I attended El Dorado middle school, she told me that I should take accounting as the teacher that taught it at Concord High was one of the best. I'm glad I took her advice as he gave me the passion for numbers that persist today.

So sorry to hear this. Mr. Walker was the best teacher ever. So glad to have had the experience I did in accounting class. I now do taxes free of charge for senior adults and I think of him every season. Especially thankful that the time I "cut" school he didn't report me because he decided I told such a good funny story about what happened he would let it slide! He laughed and laughed and I didn't have the heart to then tell him it was all true! God bless your family and I will always treasure my memories of my favorite teacher.
