Jody and family, I was saddened to hear of Glenn's passing. I'm thrilled however for him to be with Lisa. I know it will be a joyful reunion. Glenn had a big heart, was kind and a gentle giant. He was loved by many. You both made such an impact on my life. You both were always there for me and my kids. You're in my thoughts & prayers. My love, Rebecca Moir

We loved Glen and Jody from the moment we met them in Sandy Granite some 46 years ago. They have been special friends as close to us as a brother or sister can be. Glen will be missed greatly and will be one of the first ones we look forward to seeing again. He is well and free of this mortal body's frailties. Maybe he has found a fishing hole with bigger fish with every cast .

From the time I was a small boy I have had great love, admiration and respect for uncle Glen. From hiding us in his red convertible to family reunions he always had that mischievous smile and the biggest heart. His passing leaves a hole in our lives for a short time. I can just imagine the reunion on the other side of the veil. Jody, we love you!
