Launa I'm so sorry for the loss of your wonderful husband. You were a beautiful couple! I wish I could be there for his services! I thoroughly enjoyed reading about his life. What an amazing man. I love you Launa and I'm sending you lots of prayers and hugs. It's nice to know that families are forever.

- Bev Tinder Massey

He was a great man! I really cherish the time we spent in scouts. He touched my life and many others on his journey through this life. On to the next adventure.

- Charles Farnworth

Launa and family, sending you peace and comfort during this time. I always enjoyed talking with Jonesy when he'd stop by the store or call when Launa and I worked together. Such a great man.

- Josh Johnson

Launa and family My heart is breaking for you. Glen was a good man. I am so sorry for the passing of your beloved husband, father and grandfather. There are no words to describe the sadness in my heart for what you are all going through. I send my love, thoughts, prayers and sympathies out to you all. May God give you His comfort, peace and strength during this very difficult time and in the days and weeks to follow. May God bless you all.

- Judy Torres

Jonesy was a ray of sunshine and a never-ending supplier of candy! He was a special man who I am grateful I had the opportunity to know.

So sorry for your loss. Glen is such a good man and he will be greatly missed. I always considered him a good friend and we spent many hours around the campfire cooking dutch oven meals for the scouts. He and I were the only 2 that would be wearing just flannel shirts and levis and sweating while everyone else were all bundled up and freezing. We had many great adventures. I know he is smiling down on all of his family and catching up with all those who passed on before him. We are all so blessed to have the knowledge that we will be reunited again as eternal families. May God bless and comfort all of you in this challenging time.

- Mark Dalton

What a sweet man. I consider it a blessing to have known him and all of your family. Life can be so hard and sorrowful! Thank heavens for the Gospel of Jesus Christ, but especially, thanks heavens for prayer and that connection we have with our living Heavenly Father. I love to my dear friend

- Gerri Hooton

I remember the day that you were married. So fun that we could all be your flower girls. So very sorry for your loss. Hugs and prayers to your family <3

- Rhonda Pace

Launa I'm sorry to learn of your loss. I had missed your evening mini-messages, but had no idea the reason. My daughter, Richelle, and I were just going through some old photos. Remember the Pritchett get together at our home in Rockland. We picnicked down by the creek in our pasture. Those were some happy days. There will be many for for you with your loving, caring family. You'll be in my prayers, Cousin Sandy

- Sandy Pritchett Munk

I just want the Jones family to know how sorry I am to hear of Glen's passing. "Glen" is how I knew him at the pharmacy. He was always so bright and happy and made us all feel special. I will greatly miss his booming, "Well, hello, young lady!" The last time I really got to speak with him, he remembered that I had just been on vacation and asked me all about it. He was one of our patients that I always looked forward to seeing. Hearing of his passing has us all in shock. Please know that we loved him and our thoughts and prayers are with all of his loved ones at this time of grief.
