

Glen M. Stoddart

March 15, 1946 ~ February 13, 2026

As long as I live I'll never forget my friend Glen Stoddart. He was a pillar of a man spiritually, as a father and husband. Our friendship was solid through thick and thin. He was there during the tough times and as well as the good times. We will miss him but he'll always be in my heart, I look forward to meeting up with him in the afterlife. God bless you Glen and your beautiful loving wife Margret and wonderful family. Sincerely yours, Steve and Cindy Bingham

Dear Margaret & Family, we are saddened at Glenn's passing but know that he is out of pain and has joined forces with our Savior bringing the light of the gospel to those in prison. His testimony will ring throughout eternity and many will be grateful to him for his example & love. He is a friend of 70+ years and will be remembered for his "fun" personality; putting all at ease with his love. May you feel our loving Heavenly Father and His Beloved Son's arms wrapped tightly around you.

What a beautiful obituary and what an absolute pleasure it has been living next door to Glen and Margaret. Glen will be dearly missed by all. He was like an extra grandpa to our children along with all the other children in the neighborhood. He was always so witty and prepared with a fun joke or saying. He was kind and devoted. A perfect example of how to live and treat others. We are so sorry for your loss.

Jeff and Scott, I'm deeply sorry to hear about the passing of your father. Your dad, together with your mom, raised an incredible family, and that is a lasting testament to the kind of man he was. One of the most difficult parts of the plan of salvation is the time between when our loved ones leave this life and when we are reunited with them again. Please know that my thoughts and prayers are with your family during this sacred and tender time.

It’s been a while; a long while. I smile as I remember when we were kids; how my sister, Karla and I would travel from Nevada to SLC and at times, stay with Glen and his family. Glen was always a tease and I laugh now as he always greeted us with, “Here! Pull my finger!” And when we did, he managed to burp or fart…… every single time! We formed a close bond with them back then and I’ll always remember the love his entire family shared with us. Now, Rest In Peace, dear cousin. I’ve got my cherished memories and I send my deepest sympathies to Margaret and family.

I had the pleasure of meeting Glen at a Spring Training game in Goodyear, AZ. I had to smile when he pointed out any BYU hats in the crowd and making the remark that Phoenix is Little Provo. I've never forgotten he presence since then, and never will. He was quiet, yet stoic, a trait that I admire. I have always admired Jeff for having such a good man as a father.

My condolences and prayers to his family. I didn’t have the pleasure of meeting him in person, but I do know his son-in-law (my brother) Matthew, and he used to tell me about what a wonderful person his father-in-law was. ■■■■■■

Glen was a dear friend to my father, Clark Spendlove,when he was struggling with cancer. Glen would come and plow his driveway and sidewalks for him even though he lived three blocks away. He gave my father a little Tigger figure that attached to his mirror to encourage him to be positive despite his struggle. He was kind and supportive of my mom especially after my father passed away. When we moved here later, he was a good friend to us and always so positive and joking around with us. He is missed.

Dear Margaret and Family- My sympathy and condolences to you and your family at Glen's passing. I have great love and respect for you, Glen and your family. I am sorry that I am unable to be there personally to express my thoughts. Glen was always cheerful and happy, always had a smile and made one feel welcomed and noticed. He always asked about my family and how they were doing. He set a wonderful example of "going about doing good." May you and your family feel Heaven's love, comfort and peace at this time and in the days and weeks ahead. And may the many cheerished memories bring joy and gratitude to your hearts.

He was one of my favorite neighbors in South Jordan. We first met Glen and Margaret as they took their daily walk past our home. It was such a pleasure serving as a ministering brother to him and Margaret while we lived there. They were our friends!
