Aug. 26, 1943 ~ March 23, 2021

What a wonderful woman! I loved her sense of humor and how we could tease and chide with each other. Every time she called me 'girl', in her sassy voice, I would just feel good. I will miss her so very much. My condolences go out to her children and grandchildren. She raised a wonderful family!

Dear Mandy, So sorry for your loss. May the wonderful memories you have and love you have felt in the arms of your Angel Mother, live on forever with the glorious hope and knowledge that families are forever! I am sure you and your siblings and families will be forever blessed knowing that you were able to be there for your mother and provide her care and comfort during the past several months when she perhaps needed your love and encouragement the most. May you be blessed with great peace now and the days ahead which comes through the tender mercies of our loving Saviour Jesus Christ. I appreciate the opportunity to work with you and for your dedication, service and friendship. -Kindest regards, Brent

I have many wonderful memories of Glenda, Mel and the kids. She always was welcoming and friendly to anyone she met! I loved her laugh and her hugs! She was loved by many! I will miss her a lot, but take comfort in knowing that she's back with Mel! (Never to be separated again!) I love the Pedersen clan! Losing a Mom is one of the hardest experiences that we experience. Please know that I'm here if any of you need a shoulder to cry on or someone to talk to. Ina (George) Oviatt

We are sincerely sorry fir your loss. Both your parents were dear to us. Glenda had been my mother visiting teacher. She was loving and caring of my mother, Joanne Chalmers. She enjoyed visits from Linda and your mother each month. My mother love her dearly. I loved massaging your mother's legs on occasions. She always complained how much I hurt her but was so very grated it would end up giving her relief. She always grated us with a warm smile. She was always so gracious in offering to give bridal and baby showers for our daughters. She will be missed. She missed your dad and I'm so happy they are once again reunited.■■■■

I loved Glenda. She was warm, wise, funny, generous and I will miss her smile. As much as I will miss her, I'm happy she is with Mel as I know she missed him deeply every day. She was a bright star. My heart is with her sweet family.

Sending love and prayers to you and your family. May her influence continually bless you all.

Glenda was a dear friend. She was a nurturing and caring person. She would call me daily and say, "Hi, how is your day going?" She had a bit of a southern drawl that was characteristically her. She was a loving spouse to Mel, and a great mother to her children. I am sure she is happy to be on the "other side" with her wonderful husband, whom she has missed since he passed. Her children were loving and cared for her as she has been alone. (We have been out of town and got home after the service. So sorry to have missed it.). Blessings to her wonderful family. She was a dear soul. Sincerely, Rita Germer
