We both send our deepest condolences. Nelly was the brightest light and brilliant sparkle in our family for sure. We are so grateful for her presence in our world and the mark she left our our hearts. We will both forever cherish the fond memories, the giggles and just her wonderful presence. Sending all of you our love and surrounding you in light during this emotional time. The world was certainly a better place because Nelly was in it. She will be deeply missed.

Gaddy, my thoughts and prayers are with you and your family. I didn't know your mom as well as I should have. She was a bit intimidating but always kind to me. Except for that one time when i didn't go to the movies with you and went with Morgo instead. But I deserved that. Anyway, she raised great kids and a helluva good guy. If there is anything I can do for you please hit me up. Love you brother. Andrew

We knew Nelly as young people. John's parents lived in our ward and after they were married John and Nelly lived in the same ward (Forest Dale Ward) in Sugarhouse until about the same time as his parents, Mac and Edna, moved out and into the Yalecrest Ward where they lived the rest of their lives. We didn't see John or Nelly after this often but they were so always so gracious and entertaining to younger ones. We express our deepest condolences to the children and grandchildren who have lost their mother and grandmother. What a wonderful person she was! For my family, the Oscar Hendriksen Family

I am so sorry for your loss. I know the sadnesses your are feeling at this time. Nelly was my favorite Young Women's president and such a sweet, amazing person. I loved her gentle, loving presence and have such fond memories of her. Your whole family had such a positive influence on my life. Nelly will be greatly missed, but I know she and John are together again which I'm sure was an amazing reunion. Please know you are in my thoughts and prayers. I love all you all so much. My teen years are tied to the Custard Stand and the fun, loving Gadd family. You are all amazing people because of your amazing parents. May the Lord bless you with peace during this time.

It is so great to see this picture of Aunt Nellie, as I remember her for so many years of my life. I have wonderful memories of Aunt Nellie and the entire Gadd family, who were so close as aunt/uncle and cousins. In addition to regularly getting together with Nellie and the Gadds for family events, I have fond memories of briefly working with Nellie at Wasatch Middle School. I was a long-term substitute, just after graduating with my teaching certificate and it was great to have Aunt Nellie as an advocate during my semester at Wasatch Middle School. I will always remember how positive, enthusiastic and easy to talk to Aunt Nellie was. We will miss her.
