

Glenn Russell Eldridge

May 25, 1943 ~ October 5, 2024

Dear Eldridge family, I am very sorry about your loss of your Dad. I remember him as a good neighbor. I was also a good friend of your Mom and remember him always concerned about her wellbeing. I hope and pray you will find comfort in the fact that families ARE eternal and that you will be with your parents, grandparents again. May the Lord give you that assurance. With love, Raquel, from across the street

Dear Brothers and sister, We deeply regret your loss and hope God will grant you peace. We love you!

Glenn and Kathy were such good friends! Each time spent with them together or singly was good time. They personified concern for others, and I feel sure that the reunion when Glenn got here he is was joyful. God grant your family peace! You were blessed with wonderful parents who loved each other, those around them, and whose lives are a net credit to the word.

I love you and will miss that big grin. Glad you are at peace and whole again. Enjoy heaven and don't worry about all of us. Gods got us right in His hands and we will be fine again after we have had time to grieve and sort thru the loss. Sis
