

Gloria Barlow Sonntag

February 11, 1931 ~ September 20, 2020

It was a beautifull experience to hear all about your wonderful mother today. Gloria's warmth was always so comforting to me. It was exciting news to me to learn today that besides all her wonderfulness, she was a nurse!! I have always loved her, but today she became my role model, knowing that she spent so many years serving in her role as a nurse. I hope to follow her example in my own career as a nurse... Warmest regards to all of you. It was an honor to be with your amazing family today. Norma

Our condolences to Gloria's family and friends. She was proud of her pioneer ancestors. She was an active member of the Daughters of Utah pioneers, joining in 1988, 32 years!
