I am so so sorry for your loss. I loved Dawn and had many good memories with her and the rest of the family. I've known the family for over 60 years and had a friendship with Debbie since before kindergarten. I hope that Mel, Debbie, Jeff and Boyd along with their families find comfort with each other to get through this very sad time in your lives. I will keep you all in my thoughts and am sending my love to you all.

Mel Hansen Family As I reflect back on the years we lived here, I recalled the first day we moved into the neighborhood, Mel was one of first people to meet us, offered us a beer. Offered to help move in heavy furniture offered to help fix anything or chat with us. Move forward, I begin to think about how much time has gone by visiting with Dawn. Listening to my life and sharing with me the good old days. We have many chats about life. I always felt I wasn't just a neighbor. She loved my family like their own. Looking back, on the last Christmas she Made sure we had what we needed, always looking out for us. Then we had our last conversation. She told me about how things use to be in the neighborhood. The kids running around. Not many houses were on this street. Times have changed. I will never forget our conversations. Dawn your with us. We will miss you terribly. You fought hard. We will watch over your family. Love Launa Matt Kylie and Alexis

Dear Mel and family, I'm so very sorry for the loss of your sweet Dawn. She was and IS such a loving, bubbly, accepting, friendly person who will be missed so much. The angels in heaven are rejoicing at her return, but it is so hard to say goodbye - just for now- to such a beloved person. It's truly been a great pleasure knowing her. I pray the Lord will bless you all during this difficult time. With much love and sympathy~

Most of my memories of my aunt Dawn are from family parties at Christmas and birthdays. She was fun to talk to and I enjoyed listening to her view of things. My heart is with you all and I wish I could be there.
