Dear Terry and family. I was shocked to hear of dear Gloria's passing. I have so many happy memories of her and your family. Our Stake Relief Society Presidency in Bloomfield Hills, was so much fun as we served together as a presidency. We have kept in touch through the years and she was instrumental in helping me work for you, Terry at RHR International. That was a super job to finish out my working career. I will always have a special love for your dear Gloria, and her kindness and thoughtfulness to everyone around her. As we are getting up in years, it won't be too long before we will all be together again. Because I came down with a cold on Tues. this week, I am unable to attend the funeral. Know my love and prayers are with your wonderful family.

Sending my love and hugs to all of your family! I have so many happy memories with Sister Seamons and your entire family. The way that Gloria and Terry took me in when I was briefly serving in New Orleans with AmeriCorps is something I will remember for the rest of my life. Many many hugs, Christy Cannon

Dear Terry, Brett, Tami, Vicki, Joel, Cindy, and families - I honestly never believed this day would ever arrive. It simply is not possible to fathom a world without the light and laughter of "Mom Seamons" as I have lovingly called her for just a few months shy of 30 years now. When Tami and I became missionary companions in late November/early December of 1991, it meant we were together for Christmas. And that Christmas phone call was my first "meeting" of Terry and Gloria. I can still remember the gift they sent to "Tami's companion". Lots of little travel shampoos and such from various hotels as Terry travelled around for work. It made me laugh! Just as I instantly connected and became fast friends with Tami, I instantly connected with Terry and Gloria during that brief Christmas conversation. There was lots of laughter that day, but mostly I remember feeling loved unlike I had ever felt before. As the years progressed and the friendship grew, Gloria always welcomed me with the biggest hug a person could imagine. I often asked her to adopt me and I was always told, yes! There was never any paperwork but I always felt a part of the family. We did not get to see each other frequently but it never mattered. Days or weeks or years - as soon as we were in the same room, Gloria's love for me was overflowing. I never once had any doubt. Thank you to each of you for sharing her with me. For letting me have a little piece in my life of the wonderful, funny, loving, kind, caring, compassionate "Mom Seamons". My heart breaks that she has left us for a time. We are blessed to have a knowledge of the Gospel of Jesus Christ that tells us where she is and what she is doing, but it doesn't make the separation any easier. My prayer will be that the peace of our Savior will be with each of you. May comfort be with you. And may you be able to remember and reflect on all the joy and love and laughter this wonderful woman brought into each of our lives. Much, much love to each of you, Michelle (Spi) Spiron
