

Gloria Mousley Mumford

January 12, 1925 ~ August 18, 2023

Gloria was a beautiful woman, both inside and out. She was an exemplary example of womanhood and service to us in the Portland East Stake. I am honored to have known her.

Lyle, my best wishes, and condolences as you grieve the loss of your mother. I am grateful for raising a son that influenced me greatly.

Dear aunt Gloria! I will always remember your gentle smile and the support you gave me through so many concerts, and plays, while I lived in Salt Lake City! Because of you, I got to spend some of the happiest years of my life in Salt Lake doing what I most love. I love you. Thank you for everything.

Gloria was my mother, Gloria Davies, next door neighbor for about 5 years at Canyon Creek Assisted Living. Gloria (or Gloria #2 as she called herself at CC to distinguish herself from my mother) became a good friend to both of us. She was such a wonderful woman, and I grew to love her dearly. I haven't seen her since my mother passed away in 2019, but I've thought of her frequently. I know from talking to her, she missed her husband dearly and really wanted to go "home" to see him again. I'm glad she got her wish. I know you will miss her, but gather your memories around you to comfort you. You've gained a beautiful guardian Angel who will be waiting for you to come home.

I just became aware of Aunt Gloria's passing. She was always a delight to talk with. She was everything as described in the official release of her passing. Gloria is my dad's (Dwaine), and uncle's (Gene) sister, all three are dearly missed!
