Dear family, Sorry for your loss. Memories from long ago. Frank

- Frank Hall

So sorry for your loss. She was a great lady and very faithful. At least you know she's with her husband and other family members. I really enjoyed her friendship while we lived in Texas.

- Carol Bowman

So thankful you are home with Rich at last. Thank-you for your example, love, kindness, and for raising an amazing son to marry our daughter Samira. So thankful we had one last dinner together to celebrate our granddaughter, Miriam Hall. Love, Susan and Stephen Zwahlen

So many memories made with the Hall family. Highlight of my younger years was spending time at the Hall's with Elizabeth. Glyn was always so kind to me. A second mother to me for sure! Prayers to all of you in the loss of your wonderful mother. Susan
