uncle Gordy, I only got to see you when I was little, And I saw you for the last time in late January. You gave me the biggest hug . I'll always remember when I was very little you let me sit on your lap in one of your large trucks, you let me turn the steering wheel, and let me think I was driving. It was awesome. Thank you for bring so kind and fun. I know your in heaven waiting for us.

Gordie was such a part of my life and my father's and later Mark Austin's. I love him and his trucking buddies and family. Dad will be glad to catch up with him. I will miss his beautiful smile and loving nature. Know that my heart is with you all. Gretchen

Gordy, sadly I didn't know you as well as most. I do know the love you had for your family and liked having them around. Telling stories about what was going on in their lives and being truly interested. Anytime we were conversing with you, you made us feel like we were the only person in the room. Listening. A rare quality these days. I know how much Zane looked up to you. A self made man. With love. May your memory be eternal ~

Howdy Partner, Dear Grandpa Gordy, You were an amazing inspiration and I will miss your loving smile and amazing hugs. Mariana and I will always remember when you invited us to Brunch and made my wife feel so welcome to be apart of the family. Thank you for all you did for us and always being such a good man. You are one of the good ones and God is proud of you for loving and sharing Jesus's message with the world. I love you!!!

My deepest condolences to Gordys family to My Aunt Nancy and to my Cousins Clint (Sally) Dale, Zane, Brenda (Tom) and to their children Gordon was an uncle but also a Iconic figure to me and someone I'll always remember . I looked up to him so much as a child and to this day as true man of the west he was one of a kind and anyone who met him would know this . His warm personality and inquisitive nature made you always feel like he cared and that you mattered to him . He was so generous and kind and truly led by example . I will always honor his memory and these values I learned from him . I love you Uncle Gordy

Gordy was so good to me when I drove for him probably close to 30 years ago. I was wounded when I found his obit online and to see that this happened such a short time ago. He was seriously a great man! I know he knew I struggled in life but I don't feel like he ever looked down on me for the choices I made, even when those choices cost him. I am a business owner myself now and I am so sorry for the crap he had to deal with from me. What a stud!
